MTIG Mission Statement

The MedTech Industry Group (MTIG) is committed to **advocating for the diverse needs of our member companies**. Our mission is to provide a unified voice for the MedTech industry, ensuring our **collective interests are represented effectively to government bodies and key stakeholders**.

MTIG Pillars & Committee Members (2024-2027)

MTIG Strategic Priorities

Regulatory Sustainability

- Collaborate with government agencies to promote sustainable, evidence-based regulatory frameworks that support **patient safety and long-term access to medical technologies**
- **Key initiatives and milestones:** UDI requirements, digital portal for regulatory submissions, controls on hazardous substances, mandatory packaging reporting

Partnership

- Strengthen HSA-SMF collaboration to support **access to Singapore and other markets**
- Institutionalise ongoing dialogue between MedTech stakeholders and policymakers to promote **regulatory agility and innovation** in Singapore and other markets
- **Key initiatives and milestones:** SMF-MTIG Whitepaper, annual dialogue on the evolving regulatory landscape

Capacity Building

- Build member capability to **navigate regulatory submissions, partnerships, pilot programs, reimbursement schemes and export requirements**
- **Key initiatives and milestones:** Introduced Singapore regulatory roadmap to UK Innovate MedTech

Thank You!
